During a "Pandemic", or any other national emergency. Our "Constitutional Rights"are more important than ever.
They are not to be attacked or suspended, they are to be relied upon. The framework we can depend on to get through this in one piece and ensure the Republic survives🙏

Once a year, I would take my Step Father on a drive to Washington DC. On the way there he would tell me stories about the people he served with. He had showed me year books, this guy, that guy, this team. He was dating her. Showed me pics from the neighborhood,

pics from the Service. Then we would go visit a "Wall", and I would see those same names. Never came home from Vietnam. Along with Uncle and cousins.
I can drive to cemeteries and visit family I've never met. Because they Served and gave their life in Vietnam, Korea, WW2, WW1,

and further back. Back before this was even a Country, and every war since then. Many brought came and fought due to Scottish act of proscription, 1746.
Other family members were brought here in the very early 1600's as slaves and indentured servants, when the name

MacGregor! Was outlawed.
All those generations have given me the ability to fight. Scottish, Irish, blood has made me strong, I have survived horror. And the Blessed Lord has given me a brain like you wouldn't believe.

Do you really think I'm going to roll over and let you take what they paid for?🙏🙏🙏

2/ Netflix reportedly holds the right to keep renewing these shows, irrespective of Disney's preferences. Disney may be entering Netflix's territory with Disney+, but that didn't drive the cancellations. Netflix was making a rationale decision based on quality, cost, viewership

The "altered 302's" have not been released. Now that the case against General Flynn is finally and rightly dismissed those 302's are still needed, for the General's, hopefully, upcoming lawsuit. And the entire "depth" of the swamp

And everyone in it needs to be known. (RR) If not it could start again. Please don't let the dirty players hide. There are many more people waiting for justice.

The Deep state is already accusing President Trump of

Have no doubt, records are being kept. Records of people who protest, who refuse to wear a mask, people who refuse to be sheep. Online social media and presence are being sifted for names and addresses of people who refuse to comply. T

wit and FB are only two.

They are making lists of the troublemakers. These are the people (Patriots) that the Deep state understands they will have a problem with during the next phase. License plates, facial recognition, photographs and video, are being taken at
